# Ace Gathering Required Photo Process

# Tablet Process

If a driver tries to proceed from a location without the required photo they will get the following error

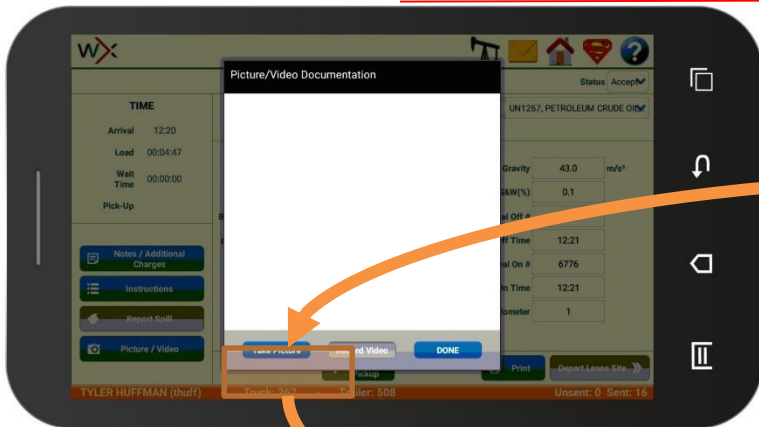

The screenshot shows the WeltraX tablet interface during a 'PICK UP' operation. The interface includes a top status bar with the WeltraX logo and icons for a pumpjack, envelope, home, Superman, and help. The main section is titled 'PICK UP' and contains a 'Status' dropdown set to 'Accept'. Below this, there are fields for 'Tank' (4575-1) and 'Product Type' (UN1267, PETROLEUM CRUDE OIL). A 'Tank In Production' checkbox is also present. On the left, a 'TIME' section shows 'Arrival' at 12:20, 'Load' at 00:03:28, 'Wait Time' at 00:00:00, and 'Pick-Up'. A central error dialog box is displayed, stating: 'Error(s) found. Notes and Additional Charges > LS Receipt # : Required field Lease Site requires Receipt Picture(s). Please click Picture/ Video and take Receipt Picture(s)'. The dialog has an 'Ok' button. To the right of the dialog, there are several input fields with values: 43.0 m/s², 0.1, 5553, 12:21, 6776, 12:21, and 1. Below these, there are buttons for 'Notes / Additional Charges', 'Instructions', 'Report Spill', and 'Picture / Video'. At the bottom, there are buttons for 'Split Pickup', 'Print', and 'Depart Lease Site'. The footer shows the user 'TYLER HUFFMAN (thuff)', truck number '267', trailer number '508', and status 'Unsent: 0 Sent: 16'.
